island is known for its good seafood, which draws in many tourists to its restaurants. Despite the small size, the island is also known for its beautiful beaches, which draw in tourists from all over. There is also a castle on the island, which was reportedly built by a Joseon king. The only city on the island is Seong-guk, where it was built in 1945 and is now home to 1,600 people. However, this small city is said to have a local flavor. There are many restaurants
